Summer Term - Week 10

Dear Parents

It is hard to believe that we are now entering our last week of the school year. A quick flick through the termly calendars shows how much we have achieved and what a rich experience the pupils have enjoyed. Talking of which, I hope everyone has recovered from the excitement of Expedition Week. I gather, as promised, many returned home with a bag of dirty clothes, tired but full of stories to tell. This was certainly true of Alex who had a great time in Cornwall with year 6!

As with all Expedition Weeks each year, I use the opportunity of a quiet school to read the pupils' reports and make my comments. It's a lengthy task but an enjoyable one. I never tire of hearing about the successes, personal achievements, immense progress and sheer hard work that has happened over the year. It is clear that the teachers know your children so well, their strengths and areas of development and have an amazing ability to ensure they shine. I hope you enjoy reading the reports as much as I did and they will be available for viewing via Schoolbase on Wednesday.

I would like to thank Sue Maughan, our Development and Alumni Manager for organising such a super Staff versus Alumni cricket match yesterday. It was another glorious afternoon of cricket and in line with the England team's win, the staff, led by Mr Eglinton, were victorious over the old boys' team with some excellent skills on display. Should you see Mr Eglinton and wonder about his rather impressive black eye, it was as a result of a short ball which he probably should have ducked. Thank goodness for helmets! Alongside the cricket match was a fascinating pictorial timeline of the school's history on display detailing events and developments since the school's inception on this site in 1935. It was great to see so many of our alumni and a number of more recent leavers and to catch up with their news since leaving Edge Grove.

CALENDAR

For fixture information see the Information Letter

Tuesday 2nd July

Pre Prep activities as normal
Whole School Transition Morning
Board of Governors Meeting and Annual Dinner, Library, 4.30pm

Wednesday 3rd July

Term ends after tea
Autumn Term begins Wednesday 4th September

Sunday 7th July

Monday 8th July

Staff INSET

It is a busy week with much happening. Can I please ask that you read the Information Letter carefully as all the details are in there and the school calendar. In Alex's absence on Friday, I took control of the school WhatsApp phone for a few hours and whilst we are happy to answer any queries, please read the information we send out first.

Swimming galas, sports days, art exhibition (in the Theatre) and Speech Day on Saturday, Alex and I hope to see you all at some stage this week to celebrate the end of another brilliant year. Please remember term ends after Speech Day and all children should attend in formal uniform and freshly polished shoes!

Best wishes

Ben Evans

Pre Prep News

Gill Emmerson

Head of Pre Prep

After such an exciting week it is hard to know where to begin! The year 2 performance was a triumph. The appreciative audience were treated to a collaboration of songs, poetry and factual learning about rainforests. The sheer volume and exuberance of the children rocked the theatre and was only matched by the applause of the audience. The backdrop added to the wonderful atmosphere and I would like to thank a team of parents led by Mrs Wilkins for their support and hard work. On Friday the whole of Pre Prep came together for Sports Day. House spirit was in evidence throughout and I am delighted to announce that Stratton were the eventual winners of the trophy. Every single child played their part, once again supported wholeheartedly by parents. The sun shone beautifully and we all enjoyed a leisurely picnic on the paddock. After ice creams had been consumed, the year 2 pupils joined staff for an afternoon of fun. Water carrying challenges and a giant inflatable offered the chance to laugh and play together just ahead of the final week of term.

YEAR 2 PERFORMANCE

Thursday 27th June

PRE PREP SPORTS DAY

Friday 28th June

Lower School News

Samantha Robinson

Head of Lower School

Year 3 have been looking forward to this week for a long time and it was well worth waiting for! The week began with the children being treated to a camping experience away from the school grounds at Cuffley. Although there was some trepidation at the start, it was clear to see from their happy smiles that the children thoroughly enjoyed their busy two days of building fires, cooking their own food, building survival shelters, whittling wood and much more! It was a truly action packed two days, and although the overnight rain may have soaked their tents, it certainly didn't dampen any of year 3's spirits!

The excitement continued when the year 3s made their way back to Edge Grove for the remainder of the week. Here, they all honed their extra-curricular skills through activities such as archery, swimming, dance, and even zorbing and the infamous bungee run. The week culminated with a final dance-off between the tribes and a thrilling dodgeball tournament. All the children had a superb week, turning their hand to new skills as well as enjoying spending time with their friends. We are sure they will remember this for a long time to come.

Year 4 arrived at Cuffley in good time to have a full fun packed first day. Lunch was not going to happen until each of the four tribes collected wood and built a fire to cook burgers. Lots of energy and enthusiasm meant that the burgers went down well. Tribe games and camp songs followed and don't be surprised if you know all the words by the end of the week.

Activity highlights of the week included; blackout, tomahawk throwing, first aid skills including rescuing teachers from a crashed plane (teachers recovering well!), Tribe's Got Talent which included a range of singers, magicians and improvised slapstick comedy. All of these activities built up healthy appetites and the bushcraft staff were kept busy as all the food was cooked in camp, sometimes on an open fire. Venison stew, bannocks, ponassed salmon, campfire brownies and s'mores were just some of the new foods that the children ate.

One of the pleasures of Expedition Week for the Edge Grove staff is witnessing how the children cope in new situations, using their initiative, developing new skills, enjoying free time and supporting friends in overcoming first night nerves. Our year 4s were magnificent and deserve a pat on the back for their unfailing ability to rise to every challenge.

Middle School News

Kate McManus

Head of Middle School

Year 5

What a fun-filled, action-packed week year 5 had at Knapp House, Devon. Everyone, including the staff, loved the variety of activities including surfing, ringo rides, tunneling, wall climbs, abseiling, crabbing, ice creams and a speed boat ride out on the estuary and not forgetting the disco. It's hard to believe that we did so much in such a short space of time! All the children were impeccably behaved and were a pleasure to take on expedition week.

Year 6

Year 6 travelled to St Issey in Cornwall for their expedition week. It was action packed and non-stop with activities and outings filling up all of the days. Some particular highlights were the giant stand up paddle boards, where every game turned into a 'last one standing on the raft' wins! We also really enjoyed a visit to the seaside town of St Ives, where the children explored the back streets and shops using a carefully planned treasure trail. Amongst all of the other activities, the children had a fantastic time and will, I'm sure, still be sharing stories with one another for many weeks to come.

Upper School News

Anna Warren

Head of Upper School

Year 7

Year 7 enjoyed an incredible week in France! The pupils journeyed to Normandy and were based at the very elegant Chateau de Chantereine. Before arriving at the Chateau the year group stopped off at Nautica - an aquarium near Boulogne-Sur-Mer where they spied sharks, turtles and enjoyed the sea-lions' antics.

Tuesday kicked off with a visit to Rouen, and a tour of its gothic cathedral. Pupils then enjoyed some shopping time in the town centre. The next day, they took a trip to Dieppe and the beach, followed by a visit to a goat farm.

This trip was the perfect introduction to war poetry which the pupils will study in year 8. Friday's trip back to the UK started with a visit to a local chocolaterie, and some tasting of course!

Evening activities every day at the chateau were fantastic; everyone had a turn at fencing, rock climbing and archery. Mme Laneri and Mme Taylor also made sure that our year 7 pupils practiced their French as much as possible!

Year 8

It was a pleasure to accompany year 8 on their expedition week. The Dorset scenery was beautiful and the weather was kind. The range of activities on offer ranged from inflatable water obstacle courses to giant paddle boarding to building catapults. For many of the children, wild camping was a new experience, but they rose to the challenge admirably with characteristic good humour. It was great to spend time with them outside the classroom and to see what lovely young people they have become.

EDGE GROVE SCHOOL SKI TRIP 2020

WHEN IS IT?

- ✓ Departing on Saturday 28th March
- ✓ Arriving back on Friday 3rd April

WHERE TO?

- ✓ Skiing will be in the resort of Prato Nevoso Italy
- ✓ We are staying at Hotel Mondolé - on the slopes, with a pool and games room

HOW MUCH DOES IT COST?

- ✓ £1059, all included plus a trip hoodie

HOW DO I BOOK MY PLACE?

- ✓ Please hand in a consent form and your £250 deposit to the front office by Thursday 4th July.

CHARITY

Well done to Amaia, Issy, Amber and Molly (with a little help from little Alex!) who did a charity bake sale yesterday at Cassiobury Park to raise money for the Stroke Association and Alzheimer's Society (their chosen charities). They raised just over £125. What a fantastic achievement!

SWIMMING

We are delighted to report that Niccolo in year 4 had a very successful weekend of swimming at the CoStA Club Champs. He won an impressive five gold medals (50m freestyle, backstroke and breaststroke plus 100m freestyle and backstroke). He is also particularly happy because despite the tiredness following a busy Expedition Week, on Saturday morning he managed to go below 40 sec in the 50m freestyle! Well done Niccolo!

ARCHERY

Last week, year 2 and year 3 had a go at Archery and we hosted the End of Term Tournament. Click [here](#) for the results!

STAFF V ALUMNI CRICKET MATCH

Sunday 30th June

What a great day for the Alumni v staff and dads cricket match. With an abundance of alumni of all ages wanting to play, captain Mark Turpin did a fine job in giving everyone a go. In the end the staff team won with Mr Eglinton sustaining ball in the nose courtesy of Ben Clayden! Players and spectators were treated to a delicious match tea midway and post match beers and bbq. Thank you to everyone who attended or helped out on the day. The Edge Grove Timeline will be on display at Speech Day. Come and have a look and find out more about our school's rich history.

Recycling – you can recycle the following with us

NEW!!!...Confectionary Wrappers

Please tell friends and family that we are now accepting confectionary wrappers for recycling. As above, if you have lots please box them up and bring them to the office. For smaller numbers please put them in the marked boxes in the Headmaster's Courtyard and the Pre Prep foyer.

Pet Food Plastic Pouches and Flexible Plastic Bags

TerraCycle®, Whiskas® and James Wellbeloved® have partnered to create a free recycling programme for all pet food plastic pouches & flexible plastic bags. Bring them into the school and we will ensure they're recycled through this scheme.

Crisp, Popcorn and Pretzel packets (Recycling in partnership with KP Snacks®)

TerraCycle® and KP Snacks® have partnered to create a free recycling programme for popcorn, crisps and pretzels packets. **PLEASE DO NOT BRING IN ANY NUT PACKETS!**

Please tell friends and family and keep those crisp packets coming. If you have lots please box them up and bring them to the office. For smaller numbers please put them in the marked boxes in the Headmaster's Courtyard and the Pre Prep foyer.

The Colgate® Oral Care Recycling Programme

We are also collecting toothpaste tubes, caps, toothbrushes and packaging. It includes non-Colgate products but only oral care (no hand cream, conditioner tubes etc.).

The Spontex® Disposable Gloves Recycling Scheme

TerraCycle® and Spontex® have partnered to create a free recycling scheme to make your disposable gloves recyclable nationwide. We will collect and recycle all disposable glove son your behalf so bring them in!

TerraCycle® and Garnier® are excited to launch this amazing contest for all Primary Schools based in the UK.

Win a recycled playground makeover worth £10,000! Participating is easy! The school that sends in the most accepted waste between the **25th March 2019** and the **5th July 2019** will receive a **recycled playground makeover worth £10,000**, on top of points earned by the shipment weight.

Accepted waste includes roll-on deodorants, packs of face wipes, pumps and sprays, plastic pots and flexible plastic – all from beauty products only. To see what waste is and is not accepted visit:

https://s3.amazonaws.com/tc-global-prod/download_resources/uk/downloads/961/personal_care_and_beauty_accepted_waste-v4-uk_%281%29.pdf

The Spire Bushey 10k, 5k & Junior Races

14th July 2019

Time to get the younger generation fired up and ready to run!

The Spire Bushey Junior Races will be held on 14th July at Queen's School, Bushey. This event is a great opportunity to get local schoolchildren to run together and have fun – we regularly have over 250 children from many schools around the area running on the day.

We would love to inspire youngsters to get involved by asking as many schools as possible to encourage their children to join in the fun.

Held on the same day as the Spire Bushey 5k & 10k, the Junior Races are held at 12pm, after the adult's race, giving parents the opportunity to watch their children run.

The overall atmosphere is fantastic and the Junior Races create by far the most excitement of the day!

We cater for all ages and offer different distances, suitable for each age group. The age categories are:

- *School Year 2 and under*
- *School Years 3 & 4*
- *School Years 5 & 6*
- *School Years 7 & 8*
- *School Years 9 & 10*

The races will be chip-timed, with all finishers receiving a bespoke medal. The first boy and girl in each category will also receive a prize. There are other team prizes on offer, with the school fielding the most children prize always being the most hotly contested!

St Mary's Primrose Hill

Primrose Hill Summer Lectures 2019

Wednesday 26 June: Daniel Rosenthal on The Lives and Letters of the National Theatre

Daniel Rosenthal is an author and journalist whose definitive work of stage history, *The National Theatre Story* won the 2014 Theatre Book Prize. His new book *Dramatic Exchanges: The Lives and Letters of the National Theatre* is a magnificent collection of off-stage dramas drawn from the correspondence of some of our best-known theatrical stars, in conversation with friends - Jane Maud, Michael Frayn and Michael Blakemore - Daniel delves into the mores and motivations of directors, actors and actresses.

Wednesday 5 June: Gill Bennett on Spies, Lies and Disinformation

Gill Bennett OBE is a leading authority on secret intelligence in the UK. Formerly Chief Historian of the Foreign and Commonwealth Office and Senior Editor of the FCO's official history of post-war foreign policy, she has worked closely with twelve Foreign Secretaries under six Prime Ministers, from Edward Heath to Tony Blair. In a lecture informed by a lifetime's insider knowledge, Gill discusses current and historic espionage techniques and points out the resonance of a 1920s dirty tricks campaign to our own 'post-truth' society.

Wednesday 3 July: Nicci Gerrard on What Dementia Teaches us about Love

Nicci Gerrard is one of our most compelling writers on social justice. Her reporting in *The Observer* on the care and understanding of dementia patients in the UK won the 2016 Orwell Prize for Exposing Britain's Social Evils. *What Dementia Teaches Us About Love* was written after the death of her father, an Alzheimer's sufferer, and is an exceptional study of ageing and identity, illuminated by in-depth research and personal experience. Nicci's lecture asks us what it truly means to care. How can we learn to value the old and invisible among us? What, at the end of a life, really matters?

Wednesday 12 June: Andrew Marr on Democracy: Is Politics Broken?

Andrew Marr is one of our best-known political commentators. Formerly editor of *The Independent*, he was, from 2000-2005, Political Editor of the BBC. He continues to present BBC's flagship current affairs programme *The Andrew Marr Show* and Radio 4's *Start the Week*. A Primrose Hill local, long-standing friend of St Mary's and now patron of our youth work, Andrew returns with a timely lecture on the fragility of parliamentary democracy. If British politics is indeed broken, what can we do to mend it?

Wednesday 10 July: David Nott on War Doctor - Surgery on the Front Line

David Nott is widely acknowledged as the world's most experienced trauma surgeon. Over the last 25 years, he has saved lives in Afghanistan, Bosnia, Chad, Darfur, Gaza, Iraq, Libya, Sierra Leone, and opposition-held East Aleppo. Known in the field as the 'Indiana Jones of surgery', he was honoured with an OBE in 2012 and the Robert Burns Humanitarian Award in 2016. David's best-selling autobiography *War Doctor - Surgery on the Front Line* recounts his extraordinary career working with Médecins Sans Frontières, the Red Cross and the Royal Auxiliary Air Force. His lecture, with its first-hand account of courage and compassion on the front line, is set to be equally inspiring.

Wednesday 19 June: Isabella Tree on Wilding - The Return of Nature to a British Farm

Isabella Tree is an award-winning author, travel writer and environmentalist. In the course of her career, she has made an eloquent study of disappearing worlds in Papua New Guinea (*Islands in the Clouds*, 1996), Mexico (*Sliced Iguana*, 2001) and Nepal (*The Living Goddess*, 2014). Her latest book *Wilding - the Return of Nature to a British Farm* tells the no less urgent story of our own countryside under threat from intensive farming. In this thought-provoking lecture, Isabella argues that it is possible to feed an overcrowded planet while leaving space for the wild, and shows how quickly a 'hands off' approach can restore land and wildlife.

7pm (Doors from 6.30pm)
