- To prepare for reception, we require a **4-session weekly minimum**, this can be a mix of short days (1 session), School or extended days (2 sessions) rising to 8 sessions in the final summer term. We offer flexibility during your child’s first term to ensure they settle in comfortably.
- We do facilitate early enrolment of your ‘rising’ 3 year old in the term that they turn 3.
- **Full Week Discount;** 10% off School day or Extended day sessions
- **Use of childcare vouchers or tax-free childcare payments;** for care provided for any child aged three (or rising three, a child who will be three before the end of the term) until the child celebrates their fifth birthday. This may include part of the school fees for the reception year. Further details found below in ‘Payment of fees.’
- **Clubs run by Keen Bean;** Discounted rates for multiple days in the same week and
  - £10 sibling discount for 2 or more children are booked for the whole week.

- Childcare vouchers and Government free early years funding (see T&C's on website)

**\* If attending an extended day session then the care will be provided by Keen Bean and there is an option for the over 3 year olds to use 3 hours of the early years funding. So the charge for an extended day is the same as the School day.**
